## Canvas Course Invitation

### Step 1: Receive an email invitation

When your teacher invites you to a Canvas course, you will receive an invitation similar to this.

If you have never worked in Canvas before, select "Create my Account."

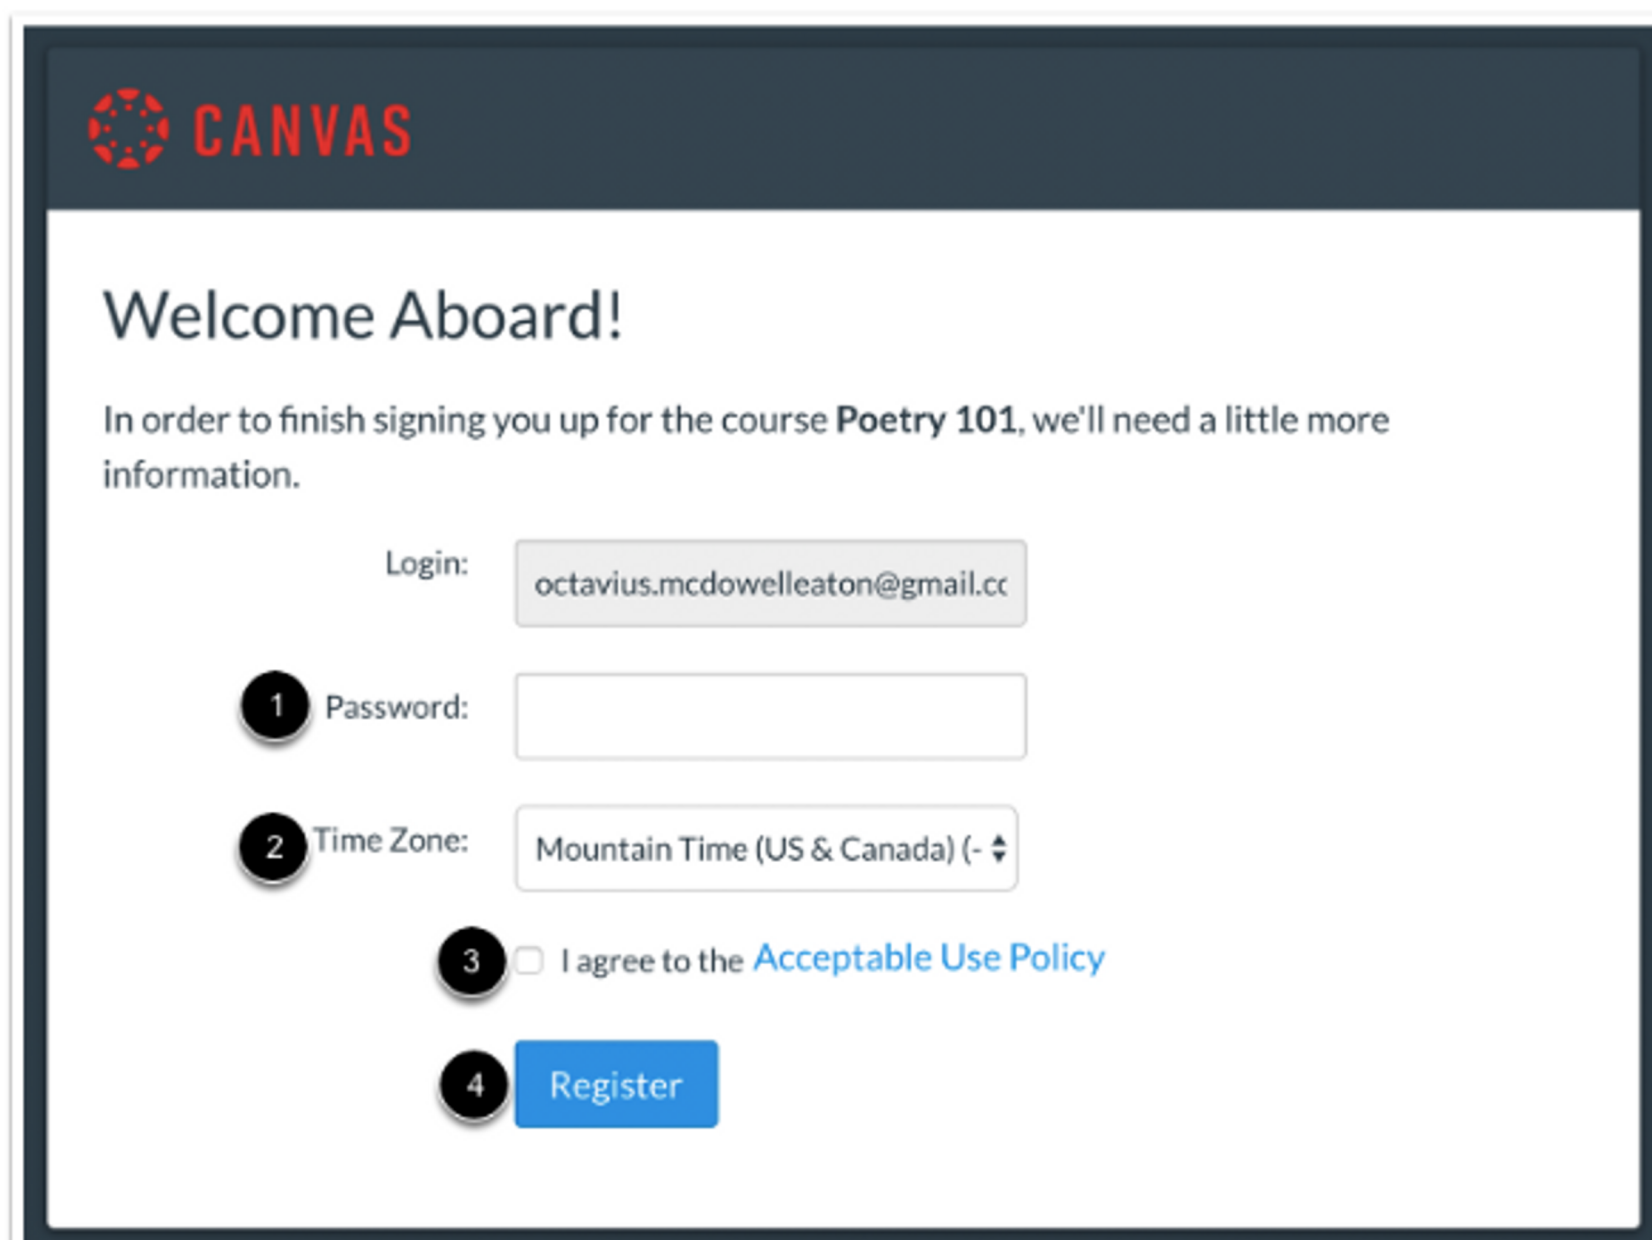

#### Create Canvas Account

Click the **Create My Account** button.

### Step 2: Register

#### Complete Registration

Create a password in the Password field [1]. Then click the terms of use checkbox [2] and click the **Register** button [3].

Enter your school email and password for the Login and Password sections.

Select the correct Time Zone, and agree to the Acceptable Use Policy.
